VISI & MISI

Bagi merealisasikan Bulan Sabit Merah Malaysia sebagai organisasi kemanusiaan yang terkemuka dan tersendiri yang membawa masyarakat dan institusi-institusi bersama untuk mereka yang memerlukan.

Untuk mencegah dan mengurangkan penderitaan, di mana jua.

VISION & MISSION

To realise the Malaysian Red Crescent as a leading and distinctive humanitarian organisation that brings people and institutions together for the vulnerable.

To prevent and reduce suffering, wherever it may be.

PRINSIP-PRINSIP ASAS

Pergerakan Palang Merah dan Bulan Sabit Merah

Tujuh Prinsip Asas Pergerakan Palang Merah dan Bulan Sabit Merah berikut telah diterima secara rasmi pada Persidangan Antarabangsa Palang Merah dan Bulan Sabit Merah ke-20 yang telah diadakan di Vienna pada tahun 1965 dan telah dimasukkan dalam Perlembagaan Pergerakan:

KEMANUSIAAN
HUMANITY

Pergerakan Palang Merah Dan Bulan Sabit Merah dilahirkan dengan hasrat untuk memberikan pertolongan tanpa diskriminasi kepada mereka yang cedera di medan perrempuran dan berusaha untuk mencegah dan meringankan kesengsaraan dimana jua ia wujud. Tujuannya adalah untuk melindungi nyawa dan kesihatan serta hormat-menghormati sesama manusia. Ia memupuk kesefahaman, persahabatan, kerjasama, yang berkekalan di kalangan manusia.

The International Red Cross and Red Crescent Movement, born of a desire to bring assistance without discrimination to the wounded on the battlefield, endeavours, in its international and national capacity, to prevent and alleviate human suffering wherever it may be found. Its purpose is to protect life and health and to ensure respect for the human being. It promotes mutual understanding, friendship, cooperation and lasting peace amongst all peoples.

KESAKSAMAAN
IMPARTIALITY

Tidak membezakan bangsa, kaum, agama, darjat atau fahaman politik dalam kegiatannya. Tujuan asasnya ialah meringankan kesengsaraan individu dan memberi keutamaan kepada kes-kes kecemasan yang paling serius.

It makes no discrimination as to nationality, race, religious beliefs, class or political opinions. It endeavours to relieve the suffering of individuals, being guided solely by their needs, and to give priority to the most urgent cases of distress.

KEBERKECUALIAN
NEUTRALITY

Untuk terus mendapat kepercayaan orang ramai terhadapnya, Persatuan tidak menyebelahi mana-mana pihak yang bermusuhan dan tidak menyertai pertikaian yang bercorak politik, perkauman, agama, dan ideologi.

In order to continue to enjoy the confidence of all, the Movement may not take sides in hostilities or engage at any time in controversies of a political, racial, religious or ideological nature.

FUNDAMENTAL PRINCIPLES

of the Red Cross and the Red Crescent Movement

The following Seven Fundamental Principles of the Red Cross and Red Crescent Movement was proclaimed at the 20th International Conference of the Red Cross and Red Crescent held in Vienna in 1965 and has been included in the Statutes of the Movement:

KEBEBASAN
INDEPENDENCE

Walaupun berupa badan tambahan kepada pihak yang berkuasa awam dan tertakluk kepada undang-undang Negara, Persatuan tetap menjaga autonominya supaya ia boleh bertindak mengikut prinsip pergerakan.

The Movement is independent. The National Societies, while auxiliaries in the humanitarian services of their governments and subject to the laws of their respective countries, must always maintain their autonomy so that they may be able at all times to act in accordance with the principles of the Movement.

KHIDMAT SUKARELA
VOLUNTERY SERVICE

Ia merupakan badan sukarela yang tidak didorong oleh sebarang tujuan mencari untung.

It is a voluntary relief movement not prompted in any manner by desire for gain.

KETUNGGALAN
UNITY

Hanya ada satu Persatuan Palang Merah atau Bulan Sabit Merah dalam sesebuah Negara. Persatuan ini hendaklah terbuka kepada semua pihak dan aktivitinya meliputi seluruh Negara.

There can be only one Red Cross or one Red Crescent Society in any one country. It must be open to all. It must carry on its humanitarian work throughout its territory.

KESEJAGATAN
UNIVERSALITY

Gerakan Palang Merah dan Bulan Sabit Merah Antarabangsa meliputi seluruh dunia, dimana semua Persatuan mempunyai taraf dan tanggungjawab yang sama serta saling bantu-membantu diantara satu sama lain.

The International Red Cross and Red Crescent Movement, in which all Societies have equal status and share equal responsibilities and duties in helping each other, is worldwide.

BULAN SABIT MERAH MALAYSIA (BSMM) SEPINTAS LALU

- Ditubuhkan sebagai cawangan Palang Merah British pada tahun 1948
- Diterima pengiktirafan oleh Jawatankuasa Antarabangsa Palang Merah (ICRC) pada 04 Julai 1963.
- Diterima sebagai ahli gabungan Persekutuan Antarabangsa Persatuan-Persatuan Palang Merah dan Bulan Sabit Merah (IFRC) pada 24 Ogos 1963.
- Ditubuh bawah Akta Parlimen: Malaysian Red Cross Society (Incorporation) Act, 1965. (previously known as Act 47/65 and revised in 1995 as Act 540) and the Malaysian Red Cross Society (Change of Name) Act, 1975 (Act 540). Sejak 1975 ianya dikenali sebagai Malaysian Red Crescent Society atau Persatuan Bulan Sabit Merah Malaysia dan lebih dikenali sebagai Bulan Sabit Merah Malaysia.
- Berfungsi sebagai badan bantuan, "auxiliary" kepada Kerajaan Malaysia dalam bidang kemanusiaan.

MALAYSIAN RED CRESCENT (MRC) AT A GLANCE

- Established as a branch of the British Red Cross in 1948
- Recognized by the International Committee of the Red Cross (ICRC) on July 4, 1963.
- Accepted as an affiliate Member of the International Federation of Red Cross and Red Crescent Societies (IFRC) on August 24, 1963.
- Incorporated under an Act of Parliament: Malaysian Red Cross Society (Incorporation) Act, 1965. (previously known as Act 47/65 and revised in 1995 as Act 540) and the Malaysian Red Cross Society (Change of Name) Act, 1975 (Act 540). Since 1975, the Society is known as the Malaysian Red Crescent Society, more widely known as the Malaysian Red Crescent.
- Functions as a support organisation, auxiliary to the Malaysian Government in the humanitarian field.

PROFIL BULAN SABIT MERAH MALAYSIA (BSMM)

Bulan Sabit Merah Malaysia (BSMM) telah ditubuhkan pada tahun 1948 sebagai sebuah cawangan Persatuan Palang Merah British di Sabah dan Sarawak. Setelah mencapai kemerdekaan Tanah Melayu pada tahun 1957, Cawangan-Cawangan di Semenanjung Tanah Melayu telah bersatu sebagai Persatuan Palang Merah Persekutuan Tanah Melayu, yang kemudiannya telah diperbadankan mengikut peruntukan sebagai Persatuan Palang Merah Persekutuan Tanah Melayu (diperbadankan) Akta, 1962.

BSMM telah menerima pengiktirafan rasmi sebagai Persatuan Kebangsaan yang merdeka daripada Jawatankuasa Antarabangsa Palang Merah (ICRC) pada 4hb Julai 1963, dan telah diterima sebagai anggota Liga Persatuan-Persatuan Palang Merah dan Bulan Sabit Merah, kini dikenali sebagai Persekutuan Antarabangsa Persatuan-Persatuan Palang Merah dan Bulan Sabit Merah atau Persekutuan Antarabangsa pada 24hb Ogos 1963.

Dengan tertubuhnya Persekutuan Malaysia pada 16 September 1963, Akta untuk memperbadankan Persatuan Palang Merah Persekutuan Tanah Melayu dan Cawangan Persatuan Palang Merah British di Sabah dan Sarawak di bawah nama "Persatuan Palang Merah Malaysia" telah diluluskan oleh Parliamen dan dikenali sebagai "Persatuan Palang Merah Malaysia (diperbadankan) Akta, 1965.

Pada tahun 1975, Parliamen Malaysia telah meluluskan "Akta 1975 Persatuan Palang Merah (Pertukaran Nama)" dan telah menukarkan nama organisasi kepada Persatuan Bulan Sabit Merah Malaysia. Kedua-dua Akta Parliamen telah dikaji semula dan dikemaskini dan sekarang dirujukkan kepada Akta 540.

BSMM buat masa ini adalah salah sebuah daripada 190 Persatuan-Persatuan Kebangsaan di seluruh dunia yang menganggotai Persekutuan Antarabangsa Persatuan-Persatuan Palang Merah dan Bulan Sabit Merah (Persekutuan Antarabangsa) yang mana bersama-sama dengan Jawatankuasa Antarabangsa Palang Merah (ICRC) merupakan komponen-komponen Pergerakan Palang Merah dan Bulan Sabit Merah Antarabangsa atau Pergerakan.

Pada Persidangan Antarabangsa Palang Merah dan Bulan Sabit Merah tahun 2007, pihak kepada Konvensyen Geneva, termasuk Malaysia, bersetuju bahawa Persatuan-Persatuan Kebangsaan disetiap negara adalah "auxiliary" kepada pihak berkuasa didalam arena kemanusiaan bagi menangani isu-isu kemanusiaan ketika krisis dan sewaktu aman. Ini adalah berdasarkan Prinsip-Prinsip Asas Pergerakan dan dipandu oleh pelan strategik.

Kerja-kerja Palang Merah dan Bulan Sabit Merah diilhamkan oleh tujuk prinsip-prinsip asas Pergerakan Antarabangsa Palang Merah dan Bulan Sabit Merah iaitu kemanusiaan, kesaksamaan, keberkecualian, kebebasan, khidmat sukarela, ketunggalan dan kesejagatan. Prinsip-prinsip tersebut diperkuatkan lagi oleh perkongsian nilai-nilai manusia, integriti, kepelbagaian, kepimpinan dan inovasi yang membimbingkan kerjanya.

Lambang-lambang Palang Merah dan Bulan Sabit Merah di iktiraf diseluruh dunia, dipercayai dan dilindungi dibawah undang-undang sebagai lambang-lambang Pergerakan Antarabangsa Palang Merah dan Bulan Sabit Merah dan kerja-kerjanya dikendalikan oleh rangkaian pegawai-pegawai yang dilipih, sukarelawan, setaf dan ahli-ahlinya.

BSMM diterajui oleh Majlis Kebangsaan sebagai badan tertingginya. Ianya mendelegasikan pengurusan hal-ehwal Persatuan kepada Lembaga Eksekutif Kebangsaan. Pada umumnya, aktiviti-aktiviti BSMM dijalankan oleh sukarelawan yang dianjurkan dibawah unit-unit subsidiari seperti Unit BSM Kanak-Kanak di sekolah rendah, BSM Remaja (Belia) di sekolah menengah; dan Pasukan Bantuan Sukarela (PBS) atau Kumpulan Kesihatan dan Khidmat Sosial (KKS) bagi ahli-ahli yang berumur 18 tahun keatas. Cawangan-cawangan dan cabang-cabang BSMM kini dikenali sebagai BSMM Negeri dan Daerah. Pada keseluruhannya BSMM mempunyai 16 cawangan Negeri, 150 Daerah dan lebih daripada 300,000 ahli diseluruh negara.

MALAYSIAN RED CRESCENT (MRC) PROFILE

The Malaysian Red Crescent (MRC) was established in 1948 as a branch of the British Red Cross Society in Sabah and Sarawak. Upon the independence of Malaya in 1957, the branches in the Malayan Peninsula were organized as the Federation of Malaya Red Cross Society, which was later statutorily incorporated by the Federation of Malaya Red Cross Society (Incorporation) Act, 1962.

The MRC received official recognition as an independent National Society from the International Committee of the Red Cross (ICRC) on 4th July 1963. It was later admitted as a member of the then International League of Red Cross and Red Crescent Societies (now known as the International Federation of Red Cross and Red Crescent Societies) on 24th August 1963.

With the formation of the Federation of Malaysia on the 16th September 1963, an Act to incorporate the Federation of Malaya Red Cross Society and the Branches of the British Red Cross Society in Sabah and Sarawak under the name of the 'Malaysian Red Cross Society' was passed by Parliament vide the Malaysian Red Cross Society (Incorporation) Act, 1965.

In 1975, the Malaysian Parliament passed "the Malaysian Red Cross Society (Change of Name) Act 1975", changing the name of the organization to its present name, Malaysian Red Crescent Society. Both the Acts of Parliament were revised and updated in 1995 and is today referred to as Act 540.

Presently, the MRC is one of 190 National Societies worldwide that are members of the International Federation of Red Cross and Red Crescent Societies (International Federation) which together with the International Committee of the Red Cross (ICRC) are components of the International Red Cross and Red Crescent Movement (Movement).

At the International Conference of the Red Cross and Red Crescent in 2007, States Parties to the Geneva Conventions, including Malaysia, agreed that National Societies in their countries shall be auxiliaries to the public authorities in the humanitarian field to overcome humanitarian issues during crisis and peace time in accordance with the Fundamental Principles of the Movement and guided by strategic plans.

The work of the Red Cross and Red Crescent is inspired by the seven fundamental principles of International Red Cross and Red Crescent Movement being, humanity, impartiality, neutrality, independence, voluntary service, unity and universality. These principles are underpinned by shared values relating to people, integrity, partnership, diversity, leadership and innovation that guide its work.

The Red Cross and Red Crescent emblems are universally recognized, trusted and legally protected symbols of the International Red Cross and Red Crescent Movement. The work of the Red Cross and Red Crescent is carried out by a network of elected officials, volunteers, staff and members.

The MRC is led by the National Council being its supreme body. It delegates the management of its affairs to the National Executive Board or the governing board. Generally, MRC activities are carried out by volunteers organized under its subsidiary units, namely Red Crescent Links in primary schools, the Junior Red Crescent in secondary schools and Voluntary Aid Detachments (VADs) or Health and Social Services Groups (HSS) comprising members above 18 years old. Its branches and chapters are currently known as MRC States and Districts. Overall, the MRC has 16 State branches, 150 Districts and over 300,000 members throughout the nation.

PERUTUSAN

PENGERUSI KEBANGSAAN

Tahun 2016 merupakan satu lagi tahun yang bagus kepada Bulan Sabit Merah Malaysia (BSMM). BSMM mengutip sumbangan wang sebanyak RM635,787 yang membolehkan BSMM terus membantu masyarakat menghadapi tragedi dan kemiskinan samada dalam negara dan serantau. Kemurahan hati para penderma dan sukarelawan BSMM membuat semua ini menjadi kenyataan. Saya juga gembira mendengar banyak program telah dianjurkan dengan kerjasama dan sokongan daripada Persekutuan Palang Merah dan Bulan Sabit Merah Antarabangsa (IFRC) pada 2016. Saya berterima kasih atas sokongan berterusan mereka.

Saya optimis dengan pelaksanaan program pemulihan banjir di Kampung Angkat BSMM di Kelantan dan Terengganu bagi masyarakat yang terbabit dengan banjir. BSMM telah menyediakan bantuan kepada penerima yang layak dalam bentuk barangan bantuan dan juga telah melatih penduduk terbabit dengan persiapan siap siaga respons segera sewaktu bencana. Saya mengucapkan penghargaan tidak terhingga kepada BSMM Negeri-Negeri, Pejabat Daerah dan sukarelawan atas sokongan dan usaha tidak mengenal erti penat lelah untuk memastikan program dan aktiviti yang di anjurkan mencapai matlamat dengan jayanya.

Pada 2016, kita bernasib baik kerana Malaysia terselamat daripada sebarang bencana besar. Namun begitu, sebagai organisasi kemanusiaan yang aktif, BSMM sentiasa bersiap sedia untuk menggerakkan pasukan tindak balas. Sebagai pengiktirafan atas komitmen BSM yang telah lama dalam bantuan sementara, Agensi Pengurusan Bencana Kebangsaan (NaDMA) telah memberi kepercayaan kepada kita dengan tugas sebagai Koordinator kepada NGO-NGO di Malaysia semasa bencana. Dengan tanggungjawab besar ini, saya berharap BSMM akan dapat meningkatkan peranannya dalam aktiviti kemanusiaan dan menjadi pemimpin yang terbaik untuk memimpin pelbagai pertubuhan sukarela yang bukan bermotifkan keuntungan.

Bergerak untuk meningkatkan dan mengekalkan BSMM, saya berharap dengan pelaksanaan Sijil Penilaian Kapasiti Organisasi (OCAC) dan Penilaian Kapasiti Organisasi Cawangan (BOCA), Ibu Pejabat Kebangsaan BSMM dan BSMM Negeri-negeri dapat mengukuhkan kemampuan organisasi. Hasil daripada BOCA, saya berharap BSMM Negeri akan terus memperbaiki negeri masing-masing dalam hal-hal seperti pentadbiran, pengurusan, pengambilan dan pembangunan sukarelawan, penyampaian perkhidmatan dan dana masing-masing.

Berkenaan dengan rayuan kutipan derma untuk Taufan Haiyan dan Gempa Bumi Nepal, jumlah dana yang dikumpul daripada pelbagai organisasi korporat dan individu telah digunakan untuk membeli empat buah ambulans untuk masyarakat di Filipina dan pembinaan bangunan pasang siap sebagai kegunaan pusat operasi kecemasan di Nepal. Kami juga berbesar hati menerima pelawat Antarabangsa ke Ibu Pejabat Kebangsaan BSMM, termasuk dua delegasi dari Palang Merah DPRK (Demokratik Rakyat Republik Korea), Palang Merah Vietnam, Gangwon-do Civil Services Korea, dan 'Five Power Defence Arrangement' (FPDA) yang diwakili oleh lima negara iaitu Malaysia, Singapura, New Zealand, United Kingdom dan Australia. Saya juga berbesar hati dengan bantuan yang ditawarkan dari pelbagai organisasi untuk aktiviti kerjasama dengan BSMM, termasuk CIMB Bank dan Maybank Berhad.

Sejak saya di pilih sebagai Pengerusi BSMM, saya dapat melihat peningkatan dalam program dan aktiviti yang dianjurkan oleh BSMM. Ia amat mengujakan untuk melihat kita semua berusaha untuk memberikan yang terbaik kepada masyarakat selaras dengan tujuh prinsip asas Palang Merah dan Bulan Sabit Merah. BSMM terus komited dan kekal berinspirasi bukan sahaja oleh para pekhidmat kemanusiaan tempatan yang membentuk semula dunia, malah oleh kuasa transformatif penyokong BSMM.

Terima kasih yang ikhlas daripada saya kepada kalian semua, Ahli Lembaga Eksekutif dan Ahli Majlis, sukarelawan, organisasi korporat dan penderma individu yang komited dan telah menyokong BSMM sepanjang tahun kemurahan hati dan sokongan anda adalah amat penting dalam meneruskan komitmen kami untuk berkhidmat kepada masyarakat, samada dalam negara dan keseluruhannya.

TUNKU TAN SRI SHAHRIMAN BIN TUNKU SULAIMAN
NATIONAL CHAIRMAN.

TUNKU TAN SRI SHAHRIMAN BIN TUNKU SULAIMAN

NATIONAL CHAIRMAN'S MESSAGE

2016 has been another good year for the Malaysian Red Crescent (MRC). We raised RM 635,787 in donations which allowed us to continue helping people overcome tragedy and poverty nationally and regionally. The generosity of our supporters and volunteers made this possible. I am also glad to hear that many programs were organised jointly with the cooperation and support of the International Federation of Red Cross and Red Crescent Societies in 2016. I am grateful for their continuous support.

I am encouraged with the recovery implementation activities at MRC adopted villages in both Kelantan and Terengganu for the communities affected by the flood. MRC provided assistance to beneficiaries in the form of relief items and also trained them on disaster preparedness for immediate response during disaster. I would like to express my heartfelt appreciation to these MRC States, District Offices and volunteers for their support and tireless efforts in ensuring the programs and activities were delivered successfully.

In 2016, we were lucky as Malaysia was spared from any major disaster. Nonetheless, being an active humanitarian organisation, MRC is always on standby to mobilise its response team. In recognition of our long abiding commitment to the provisional relief, the National Disaster Management Agency (NaDMA) has entrusted us with the task of a Coordinator for the NGOs in Malaysia during disaster. With this big responsibility, I hope that MRC will be able to enhance its role in humanitarian activities and be the best leader to lead amongst the various voluntary non-profit organisations.

Moving into enhancing and sustaining our Society, I hope that with the implementation of Organisational Capacity Assessment Certification (OCAC) and Branch Organisational Capacity Assessment (BOCA), MRC National Headquarters and States are able to strengthen its organisational capacities. As a result of BOCA process, I am hopeful that MRC States will further improve themselves in matters such as governance, management, volunteer recruitment and development, service delivery and funding.

With regards to MRC appeal for Typhoon Haiyan and Nepal Earthquake, the numbers of the funds collected from various corporate organisations and individuals have been utilised to purchase four ambulances for the communities in Philippines and the construction of a pre-fabricated building for the use of an emergency operation centre in Nepal.

We are also honoured to receive International visitors to MRC National Headquarters, which include two delegations from DPRK Red Cross (Democratic People's Republic of Korea), Vietnamese Red Cross, Gangwon-do Civil Services of Korea, and Five Power Defence Arrangement (FPDA) represented by five Countries namely, Malaysia, Singapore, New Zealand, United Kingdom and Australia.

I am also pleased with the assistance offered from various organisations for collaboration activities with MRC, including CIMB Bank and Maybank Berhad.

Since I was elected as the MRC chairman, I have seen a rise in programs and activities undertaking by our Society. It's inspiring to see all of us striving to deliver the best to the community in accordance with the seven fundamental principles of Red Cross and Red Crescent Movement. MRC remains committed and inspired not only by local humanitarians who are reshaping the world, but also by the transformative power of our supporters.

My sincere thanks to each of you, Board and Council members, volunteers, corporate organisations and individual donors who are committed and have supported MRC throughout the years. Your generosity and support is crucial in continuing our commitment to serve the community, both local and at large.

Thank you.

DISASTER MANAGEMENT
PENGURUSAN BENCANA

Workshop on 'ENHANCING THE COORDINATING MECHANISM OF CIVIL SOCIETIES IN DISASTER MANAGEMENT', 26th – 28th October 2016, MRC National Headquaters Kuala Lumpur

MRC NHQ successfully organized the 'Enhancing the Coordinating Mechanism of Civil Societies in Disaster Management' in conjunction of Malaysian National Disaster Preparedness Month 2016. The workshop held at MRC NHQ from 26th – 28th October 2016, was attended by 26 participants and representatives from disaster relief and management related NGOs, Government Agencies and local authorities; and MRC State branches. The workshop discussed the following topics:

a. ADMA – function and responsibility of NADMA
b. Coordination During Disaster – Challenges in Coordination in Malaysian Disaster Relief Operation – All participants.
c. Risk Reduction in Malaysia – Challenges in Promoting DRR to Communities.
d. The Sendai Framework – IFRC
e. Disaster Risk Management: MRC's perspective on the need for co-ordination.
f. Resource Management System (RMS)
g. Fundamental Principles
h. Social Networking Services in Promoting Civil Society Activities and Linking Civil Society Organisations
i. NGO Relief Experience Sharing
j. Gender & Diversity
k. Relief Centre and its management by the Ministry of Women, Family and Community Development.

OUTCOMES & WAY FORWARD

- Recognition of the immediate need for an enhanced coordination among the appropriate government authorities, NGOs, MRC, GLCs and other relevant stakeholders.
- Initial exploration of possible medium- to long-term goals and related actions on disaster risk reduction for government's consideration.
- Information sharing on current disaster management arrangements in Malaysia, experiences at both local and international level and tools and services available from national, regional and international level.
- Currently there is no legal framework for managing disasters and disaster risk in Malaysia. While Directive 20 provides solid basis, it lacks the force of law. There is a need of Disaster Law in times of disaster and other emergencies. Therefore,
  i. To take into consideration the extensive and intensive risks, taking account of the multiple hazards to which Malaysia is susceptible (e.g. floods, droughts, fires, haze, landslides, dam failure, etc.)
  ii. Recognise and legislate on the need for Malaysia to develop national action plans for disaster management that address comprehensive disaster management cycle with components of risk reduction and mitigation, preparedness, and resilience included, and using a multi-hazard approach.
  iii. Considerations should also be given to legal framework, capacity building, preparedness & response, mainstreaming Disaster Risk Reduction (DRR). Develop an appropriate legal framework within two years (2018) to be taken through regular parliamentary process.

Other matters to be taken into consideration are:

- Mapping and profiling of risk prone areas and communities, and ensuring risk information is considered in development processes
- Clarifying procedures and responsibilities for early warning
- Improvements in land use planning, and other sectorial laws to ensure risk reduction approach is taken
- Developing an information and expertise sharing mechanism.
- Establishing more robust national contingency planning processes, including for alternative sources of water & communication systems.
- Developing new systems for improved coordination, management and distribution of assets, donations and contributions received.
- Reviewing management systems for relief centres.
- Improving coherence at federal and state levels and managing jurisdictions in terms land and resources in relation to relief operations, with a focus on saving lives.
- Enhancing capacity building at various levels e.g. state, district, etc., through allocation of appropriate resources and capacities, including expertise that can be provided by regional and international organizations.
- Ensuring the engagement of civil society, the scientific community ,the private sector, and communities in risk reduction decisions and activities
- Addressing the special needs of particularly vulnerable categories of persons
- Clarifying national triggers and processes for acceptance, facilitation and termination of regional and international assistance.
- Elaboration of specific guidelines to protect vulnerable groups such as older persons, persons with disabilities, children and others.
- Capacity building focusing on the "3Ms", i.e. manpower, machinery and money:
  - Manpower, i.e. technical expertise;
  - Machinery, including appropriate assets (e.g. hovercrafts, boats, etc) & logistics required, including protocols for acquiring such assets; and
  - Money, i.e. dedicated funding, including for rescuers to do their job.
- Public awareness:
  Public awareness on disaster risk, early action and community-based resilience building should be increased, and the active participation of communities and vulnerable groups in disaster preparedness, response, recovery and mitigation efforts promoted.
- Continuous assessments

A process of on-going assessment and evaluation of governmental and non- governmental bodies and agencies involved in disaster management and response should be put in place, focused on how they manage relief assets, coordination mechanisms, response capacities, and training.

Pelancaran Bulan Kesiapsiagaan Bencana Nasional

YAB Dato' Seri Dr. Ahmad Zahid Hamidi Timbalan Perdana Menteri menyampaikan ucapan di majlis Pelancaran Bulan Kesiapsiagaan Nasional 2016
YAB Dato' Seri Dr.Ahmad Zahid Hamidi, Deputy Prime Minister giving his speech during the launching ceremony of National Disaster Preparedness Month 2016

Bulan Sabit Merah Malaysia telah dijemput untuk turut sama dalam program Pelancaran Bulan Kesiapsiagaan Nasional yang dianjurkan oleh Agensi Pengurusan Bencana Negara (NADMA) pada 21hb hingga 23 Oktober 2016, bertempat di Dataran Esplanade Kemaman. BSMM telah menghantar satu kontinjen seramai 30 orang yang terdiri dari anggota sukarelawan dari BSMM Negeri Kedah, Terengganu, WPKL, Kelantan serta staf IPK untuk mewakili BSMM disamping sebagai menyatakan sokongan kepada objektif utama program tersebut.

CONTINUED FROM PREVIOUS PAGE

Program selama 4 hari 3 malam tersebut berfokuskan kepada aktiviti pameran dan simulasi bencana disamping mempromosikan 'template' persediaan bencana daerah Kemaman yang telah diangkat menjadi 'template' contoh untuk sistem siapsiaga bencana kebangsaan bagi daerah-daerah oleh Kerajaan Pusat.

Program ini telah dirasmikan oleh YAB Dato' Seri Dr. Ahmad Zahid Hamidi Timbalan Perdana Menteri dan majlis tersebut turut dihadiri oleh Menteri di Jabatan Perdana Menteri YB Dato' Seri Dr Shahidan Kassim serta wakil dari jabatan kerajaan dan agensi tempatan.

Diantara aktiviti dan penglibatan BSMM dalam program adalah seperti berikut:

1. Pameran Aset Logistik dan Respons BSMM
2. Booth BSMM
3. Demonstrasi Peralatan EWASH BSMM
4. Demonstrasi Peralatan Komunikasi BSMM
5. Demonstrasi Menyelamat di Air
6. Simulasi Pemindahan Mangsa Banjir
7. Pemeriksaan Kesihatan dan Klinik Medan

Pameran dan demonstrasi peralatan EWASH
EWASH Exhibition and Demonstration

Launch of National Disaster Preparedness Month

The Malaysian Red Crescent was invited to participate in the launch programme of the National Disaster Preparedness Month organized by the Agency for National Disaster Management (ADMA) from 21st to 23rd October 2016, held at Dataran Esplanade Kemaman. MRC was a contingent of 30 persons comprising MRC volunteers from Kedah, Terengganu, Federal Territory of Kuala Lumpur, Kelantan and National Headquarters staff to represent the MRC, expressing support for the main objectives of the programme.

The 4-day, 3-night programme focused on the exhibition and disaster simulation activities in addition to promoting the disaster preparedness 'template' of the Kemaman District that was taken as a model 'template' under the disaster preparedness system for national disaster preparedness for districts by the Central Government.

The program was officiated by the Deputy Prime Minister YAB Dato' Seri Dr. Ahmad Zahid Hamidi, and the ceremony was also attended by Minister in the Prime Minister's Department Dato 'Seri Dr Shahidan Kassim and representatives of government departments and local agencies.

Among activities and involvement of MRC in the program were as

follows:

1. Logistics and Response Assets Exhibition
2. MRC Booth
3. MRC EWASH Equipment Demonstration
4. MRC Communication System Demonstration
5. Water Rescue Demonstration
6. Flood Evacuation Simulation
7. Free Health Check at MRC Field Clinic

Demonstrasi menyelamat di air oleh anggota Unit Bot Penyelamat BSMM
Water Rescue Demonstration by the MRC Boat Rescue Team

Pameran aset logistic dan respons BSMM

PERKHIDMATAN AMBULANS KECEMASAN 24 JAM
24 HOUR EMERGENCY AMBULANCE SERVICE

AKTIVITI DAN PENGLIBATAN PERKHIDMATAN AMBULANS

Pada tahun 2016, Perkhidmatan Ambulans Kecemasan BSMM dianggotai oleh seorang Pengurus, seorang Pegawai Kewangan, 2 orang Pegawai Pentadbiran, 7 orang Pegawai Perkhidmatan Kecemasan, seorang Kerani dan 40 orang Pembantu Perubatan Ambulans (AMA) yang bertugas 24 jam mengikut syif yang telah disediakan oleh pihak pengurusan.

Bulan Sabit Merah Malaysia masih lagi mengekalkan prestasinya sebagai sebuah badan sokongan Kerajaan yang memberikan Perkhidmatan Ambulans dengan jumlah panggilan tertinggi di kawasan Kuala Lumpur mengikut statistik yang dikeluarkan oleh pihak Hospital Kuala Lumpur pada tahun 2016.

ACTIVITIES AND INVOLVEMENT OF THE AMBULANCE SERVICE

In 2016, the MRC Emergency Ambulance Service was staffed by a Manager, a Finance Officer, two (2) Administrative Officers, seven (7) Emergency Service Officers, a clerk and 40 Ambulance Medical Aide (AMA) who were on duty 24-hours, based on shifts provided by the Management.

Malaysian Red Crescent maintained its performance as a support agency to the Government which provides ambulance service with the highest number of calls in Kuala Lumpur based on the statistics released by the Kuala Lumpur Hospital in 2016.

Perkhidmatan BSMM di Pusat Transit Gelandangan Kuala Lumpur

BSMM turut memberi perkhidmatan perubatan dan rawatan di Pusat Transit Gelandangan Kuala Lumpur di Jalan Pahang yang telah dirasmikan oleh Perdana Menteri, Datuk Seri Najib Razak pada 27hb Februari 2016. Pusat tersebut adalah hasil inisiatif tanggungjawab sosial Kementerian Wilayah Persekutuan bersama Dewan Bandaraya Kuala Lumpur (DBKL) dan Malaysian Resources Corporation Bhd (MRCB); dengan operasi pengendalian Pusat tersebut dilaksanakan dengan kerjasama YKN, DBKL, RELA, BSMM dan kaunselor-kaunselor. BSMM betugas 24 jam setiap hari untuk memastikan pemeriksaan

kesihatan kepada gelandangan yang baru masuk dijalankan sebelum dibenarkan menginap disitu. Hanya para gelandangan yang sihat dan tidak menghadapi sebarang penyakit yang berjangkit dibenarkan penginapan di Pusat tersebut.

MRC services at the Kuala Lumpur Transit Centre for the Homeless

The Kuala Lumpur Transit Centre for the Homeless in Jalan Pahang was officiated by the Prime Minister YAB Datuk Seri Najib Tun Abdul Razak on 27th February 2016. The Centre is the result of social responsibility initiative of the Ministry of Federal Territories and Kuala Lumpur City Hall (DBKL) together with the Malaysian Resources Corporation Bhd (MRCB); with its operations implemented in collaboration with the National Welfare Foundation (YKN), City Hall of Kuala Lumpur (DBKL), RELA, MRC and counselors. MRC is on duty 24 hours a day to provide medical care to ensure that new inmates are provided with health checks before they are allowed to stay there. Only homeless persons who are healthy and do not face any infectious disease are allowed to stay at the Centre.

Projek Hotspot Ambulans Kecemasan dilaksanakan dengan kerjasama Kementerian Kesihatan Malaysia

Projek Hotspot telah dilancarkan oleh Kementerian Kesihatan Malaysia (KKM) pada bulan November 2014 dan BSMM berkerjasama dengan KKM untuk memberi perkhidmatan rawatan pra-hospital dan ambulans di dua kawasan yang telah dikenalpasti untuk memberikan perkhidmatan rawatan dan penghantaran pesakit ke hospital yang terdekat.

Lokasi-lokasi Hotspot yang telah ditetapkan terletak di Masjid Al Ridhuan di Ulu Klang dan di Masjid Al Husna di Sunway, Subang disebabkan kepadatan penduduk di kawasan-kawasan tersebut. BSMM bukan sahaja memberikan perkhidmatan kepada penduduk setempat, malah ia juga menyahut panggilan daripada semua lapisan masyarakat yang memerlukan perkhidmatan kecemasan atau kemalangan dalam lingkungan 10 kilometer radius dari base hotspot.

Matlamat utama Projek Hotspot KKM-NGO ini adalah untuk memberikan perkhidmatan rawatan pra-hospital dengan pantas serta

menepati masa respons kepada kurang daripada 15 minit bagi semua panggilan yang di terima melalui Perkhidmatan Respons Kecemasan Malaysia 999 atau MERS 999 yang oleh Pusat Koordinasi Perubatan Kecemasan (MECC).

Untuk tempoh Januari hingga Disember 2016, sebanyak 502 kes telah dilaporkan di Hotspot Ulu Klang, sementara 823 kes telah diterima di Hotspot LDP Subang. Jumlah kes seluruhan kes Hotspot yang telah diterima oleh BSMM pada tahun 2016 adalah sebanyak 1,325.

Emergency Ambulance Hotspot Project implimented in co-operation with the Ministry of Health

The Hotspot Project was launched by the Ministry of Health (MOH) in November 2014 and the Malaysian Red Crescent (MRC) works in co-operation with the Ministry of Health to provide pre-hospital care and ambulance services in two areas that were identified to provide treatment and to transfer patients to the nearest hospital.

The pilot Hotspot projects were established in two locations in Masjid Al Ridhuan, Ulu Klang and in Masjid Al Husna, Sunway, Subang due to the high population rate in these areas. MRC not only provides emergency services to the local communities in these places but also responds to all other requests in emergencies from members of the public within 10 kilometer radius from the hotspot base.

The main goal of the MOH-NGO Hotspot Project is to provide pre-hospital services rapidly, keeping the response time in less than 15 minutes on all calls mostly received through the Malaysia Emergency Response Services 999 or MERS 999, managed by the Emergency Medical Coordination Centre (MECC).

For the period January to December 2016, a total of 502 cases were reported in Ulu Klang Hotspot while 823 cases were received at the LDP Subang Hotspot location. The total number of Hotspot cases for the 2016 is 1,325.

LATIHAN TRAINING

Latihan 'Community-Based Psychosocial Support'

Dengan terjadinya bencana dahsyat yang berlaku di Malaysia; 2 bencana penerbangan dan bencana banjir yang berlaku di pantai timur, BSMM sedang dengan sedaya upaya meningkatkan keupayaan mereka untuk bertindak balas serta menjaga dan membantu mereka yang memerlukannya. Terdapat satu keperluan untuk membina keupayaan 'Psychosocial Support' (PSS) di dalam BSMM sama ada sebagai sebahagian daripada Pasukan Bertindak Bencana Kebangsaan BSMM atau sabagai pusat tumpuan 'psychosocial' di Ibu Pejabat Kebangsaan BSMM dan BSMM Negeri-negeri.

Tujuan utama latihan ini diadakan adalah untuk menyampaikan ilmu dan pemahaman sokongan psikologi dan sosial di dalam kitaran persiapan, tindak balas, pemulihan dan pengurangan bencana. Latihan ini juga diadakan bertujuan untuk meningkatkan skala keupayaan tindak balas pasukan bertindak bencana dengan menambah baik ahli-ahli pasukan tersebut dengan kemahiran 'psychological first aid' (PFA) dan amalan yang terbaik.

Latihan ini telah diadakan di Hotel Sentral Seaview Penang, Tanjung Tokong, Pulau Pinang, selama empat (4) hari mulai 4 sehingga 7hb Oktober 2016. Jumlah keseluruhan peserta ialah seramai 26 orang yang terdiri daripada IPK, Negeri Pulau Pinang, Kelantan, Terengganu, Selangor, Federal Territory of Kuala Lumpur, Negeri Sembilan, Pahang, Sabah dan Sarawak.

Community-Based Psychosocial Support Training

In light of recent major disasters in Malaysia; two major aviation disasters and the severe floods affecting the east coast of Malaysia, Malaysian Red Crescent Society (MRCS) would like to boost its capacity to respond and care for those in need. There is a need to build Psychosocial Support (PSS) capacity within MRCS whether as part of the MRCS Health National Disaster Response Team (NDRT) or as psychosocial focal point in MRCS NHQ and its States.

The main purpose of this training was to impart the understanding of psychological and social support across the disaster cycle of preparedness, response, recovery and mitigation. The training was also done to scale up the capacity of the disaster response teams by improving the members with skills of psychological first aid (PFA) and best practices.

The training was done at the Hotel Sentral Seaview Penang, Tanjung Tokong, Pulau Pinang, Malaysia for a duration of four (4) days from 4th to 7th October 2016. The total numbers of participants were 26 people from MRCS NHQ and the States of Pulau Pinang, Kelantan, Terengganu, Selangor, Federal Territory of Kuala Lumpur, Negeri Sembilan, Pahang, Sabah and Sarawak.

Latihan 'Road Safety Essentials'

Situasi keselamatan jalanraya di Malaysia semakin menurun dan ia tidak menampakkan apa-apa perubahan langsung. Kebanyakannya melibatkan penunggang motorsikal kerana untuk bertahun-tahun lamanya motosikal merupakan pilihan utama disebabkan ia mudah, sesuai dan harganya yang murah bagi penduduk di Malaysia. Jumlah motosikal yang berdaftar di Malaysia meningkat dengan pesat pada setiap tahun di mana 1% daripadanya terbabit dengan kemalangan jalanraya. Walaupun peratusannya rendah akan tetapi jumlah angkanya adalah cukup besar terhadap kesannya pada output ekonomi di negara ini. Daripada 1% motorsikal yang terlibat di dalam kemalangan jalanraya, lebih daripada 10,000 penunggang dan pembonceng motorsikal tersebut tercedera atau terbunuh setiap tahun.

Keselamatan jalanraya ini tidaklah boleh bergantung sepenuhnya pada Polis Trafik dan Jabatan Pengangkutan Jalan (JPJ). Masyarakat kita memainkan peranan yang penting dan kritikal untuk mengatasi masalah ini di mana BSMM memainkan peranan terhadap masyarakat kita dengan mendidik mereka mengenai keselamatan di jalanraya.

Latihan *'Road Safety Essentials'* telah dijalankan pada 10 dan 11hb Disember 2016 di Ibu Pejabat Kebangsaan BSMM, Kuala Lumpur. Jumlah peserta yang telah menyertai latihan ini adalah seramai 95 orang yang terdiri daripada staf-staf Ibu Pejabat Kebangsaan BSMM dan ahli-ahli BSMM dari negeri-negeri Pulau Pinang, Kelantan, Terengganu, Pahang, Johor, Selangor, Federal Territory of Kuala Lumpur, Melaka, Negeri Sembilan, Putrajaya, Pahang, Kedah, Sabah dan Sarawak.

Road Safety EssentialsTraining

The road safety situation in Malaysia is not good. It is not improving. Most of it involves motorists. For many years, motorcycle has been the most preferable, convenient and affordable mode of transport. Each year, the number of registered motorcycles continues to grow rapidly, and each year at least 1% of them get involved in road accidents. The percentage is small, but the numbers are big enough to bring huge losses to the economic output of the country. Out of the 1% of motorcycle involved in road accidents, more than 10,000 riders and pillions are injured and killed every year.

This work cannot be done by Traffic Police and RTD (Road and Transport Department) alone. The community plays a critical and key role. To ensure that the community is safe for road users, the Malaysian Red Crescent Society (MRCS) plays a role for the community in terms of MRCS reaching out to the community.

The Road Safety Essentials Training was done on the 10th and 11th December 2016 at the MRCS National Headquarters, Kuala Lumpur. The total numbers of participants were 95 people from MRCS National Headquarters and the States of Pulau Pinang, Kelantan, Terengganu, Pahang, Johor, Selangor, Federal Territory of Kuala Lumpur, Melaka, Negeri Sembilan, Putrajaya, Pahang, Kedah, Sabah and Sarawak.

Program Pertukaran Belia Antarabangsa 27hb Oktober hingga 8hb November 2016 Tokyo, Jepun

Program pertukaran belia adalah berfaedah untuk semua ahli kerana ia mengajar betapa pentingnya Palang Merah & Bulan Sabit Merah dalam masyarakat. Ia mengajar semua ahli belia untuk bersedia bukan sahaja untuk menghadapi bencana alam tetapi juga kecemasan. Semua ahli juga mempunyai peluang untuk bertukar-tukar maklumat dan idea tentang aktiviti dari negara-negara lain.

Terdapat banyak program baru yang dikongsi dari ahli Palang Palang Merah Jepun dan ahli-ahli lain. Bulan Sabit Merah Malaysia telah diwakili oleh dua orang belia dari BSM Wilayah Persekutuan Kuala Lumpur dan WP Putrajaya. Mereka terdiri daripada Mohd. Suffyan Bin Shukor dan Cik Rania Bt. Roslan. Program selama 12 hari itu telah dilaksanakan di dua Daerah iaitu Tokyo dan Yonaga.

International Youth Exchange Programme 27th October to 8th November 2016 Tokyo, Japan

This youth exchange programme is really good for all member as it teaches us how important Red Cross and Red Crescent is to the society. It teaches all the youth members to be well prepared not only for natural disaster but also emergencies. All members also had a chance to exchange information and activities ideas from other countries. There are a lot of new programmes that were shared from Japenese Red Cross members and other members. Malaysian Red Crescent Society was represented by two youth members of MRC Federal Territory of Kuala Lumpur and Putrajaya. They are Mohd. Suffyan Bin Shukor and Ms. Rania Bt. Roslan. The 12-days programmes was held in two districts of Tokyo and Yonaga.

2nd Youth as Agent Behavioural Change (YABC) Training of Peer Educators in Singapore 10 – 14 August 2016

Belia Sebagai ejen Perubahan Tingkah Laku (YABC) adalah inisiatif utama IFRC untuk mempromosikan budaya bukan keganasan dan keamanan. Terdapat 10 peserta yang menghadiri kursus ini yang terdiri daripada 4 negara di mana 4 dari Palang Merah Singapura, 3 dari Palang Merah Indonesia, 2 dari New Zealand Red Cross dan 1 dari Bulan Sabit Merah Malaysia diwakili oleh Encik Jaryll Ong Pao Sng. Ketua Jurulatih untuk kursus ini adalah Cik Ho Kum Ju dari IFRC dan dibantu oleh Cik Betty Lam dari Palang Merah Hong Kong .

Sepanjang 5 hari latihan intensif, peserta didedahkan dengan konsep baru mempelajari bagaimana untuk menjadi pendidik rakan sebaya dan memupuk perubahan dalam tingkah laku mereka sendiri, pemikiran minda dan sikap sebelum inspirasi perubahan pada orang lain. Para peserta juga diajar beberapa kemahiran bagaimana untuk menjadi seorang pendidik rakan sebaya dan fasilitator yang baik dengan mengamalkan mendengar secara aktif, perkongsian, empati, memahami dan banyak lagi. Dengan pendidik rakan sebaya dilatih dalam YABC, Persatuan Bulan Sabit Merah Malaysia perlahan-lahan akan menggabungkan Kit YABC dalam aktiviti belia seperti pertolongan cemas, persiapan menghadapi bencana, kem belia dan banyak lagi. Bulan Sabit Merah Malaysia bercita-cita untuk memberi tumpuan kepada semua usaha untuk melatih belia sebagai ejen perubahan tingkah laku dengan peningkatan keganasan di dunia ini. Latihan ini dihoskan oleh Palang Merah Singapura. Latihan ini hanya melibatkan jurulatih kanan bersama fasilitator yang mengajar konsep utama inisiatif YABC.

Youth as Agents of Behavioural Change (YABC) is the IFRC flagship initiative on the promotion of a culture of non-violence and peace. There were a total of 10 participants who attended the course comprising 4 countries whereby 4 were from Singapore Red Cross, 3 were from Indonesian Red Cross, 2 were from New Zealand Red Cross and 1 was from Malaysian Red Crescent represented by Mr. Jaryll Ong Pao Sng. The master trainer for this course was Ms. Ho Kum Ju from the IFRC Bangkok Support Office and co-facilitated by Ms. Betty Lam from Hong Kong Red Cross.

Throughout the 5 days intensive training, participants were exposed to a whole new concept of learning how to be peer educators and instilling change in their own behaviour, mind-set and attitude before inspiring change in others. Participants were also taught several skills on how to be a good peer educator and facilitator by practicing active listening, sharing, empathy, understanding and many more. With a trained peer educator in YABC, the Malaysian Red Crescent will slowly incorporate the YABC toolkit in our youth activities such as first aid, disaster preparedness, youth camps and many more. The Malaysian Red Crescent aspires to focus all efforts into training youths as agents of behavioural change in this world with increasing violence.

PROMOSI & PUBLISITI Penerbitan Dokumentasi BSMM

Pada tempoh Januari hingga Disember 2016, Jawatankuasa Komunikasi dan Publisiti Kebangsaan yang dipengerusikan oleh YBhg Dato' Haji Nasir bin Musafa telah bersidang tujuh kali untuk mengusahakan dan memantau kerja-kerja pelaksanaan aktiviti khas mempromosikan BSMM di peringkat Kebangsaan yang bertujuan untuk mengusaha publisiti dan menaikkan imej BSMM dikalangan masyarakat umum. Jawatankuasa ini juga bertanggungjawab untuk mengusahakan penerbitan sebuah buku Profil BSMM yang telah mendokumentasikan maklumat-maklumat penting mengenai peranan, sejarah dan aktiviti-aktiviti yang dijalankan di peringkat Kebangsaan dan Negri-Negeri. Buku Profil tersebut juga memberi pengambaran keseluruhan sejak BSMM ditubuhkan hinggalah terkini dan merupakan buku rujukan yang julung kali diterbitkan dalam sejarah BSMM.

Pada tahun ini juga BSMM dengan jayanya telah menerbitkan sebuah buku kecil bertajuk "REACHING OUT" dan risalah penerangan mengenai BSMM dan perkhidmatan yang disediakan. Buku kecil tersebut yang memaparkan projek-projek kemanusiaan dan kemasyaratan BSMM telah menerima sambutan yang baik di semua peringkat dan kini sedang dialih bahasa untuk diterbitkan dalam Bahasa Malaysia. Kos keseluruhan penerbitan kedua-dua buku kecil dan risalah-risalah dalam Bahasa Inggeris dan Bahasa Malaysia ditaja sepenuhnya oleh Kerajaan Kanada melalui Hal Ehwal Global Kanada dan Palang Merah Kanada dengan kerjasama Persekutuan Antarabangsa Palang Merah dan Bulan Sabit Merah (IFRC). BSMM merakamkan penghargaan kepada IFRC Delegasi Serantau Asia Tenggara di Bangkok bagi kerjasama dan sokongan yang telah diberi dalam usaha penerbitan buku-buku ini.

Wakil-wakil BSMM Negeri dan Sekretariat Kebangsaan semasa mesyuarat dokumentasi dipengerusikan oleh Dato' Hj. Nasir Mustafa di IPK BSMM

PROMOTIONS & PUBLICITY
Production of MRC Documentation

From January to December 2016, the National Communications & Publicity Committee, chaired by YBhg, Dato ' Haji Nasir bin Mustafa met seven times to undertake and monitor the work for the implementation of special activities to promote the MRC at the national level which aims to generate publicity and raise awareness and to improve the image of the MRC among the general public. The Committee was also responsible for the production of the MRC Profile that documented important information on the role, history and activities carried out at the National and State levels. The MRC Profile also gave an overview since its establishment to recent times and is the first ever profile book to be published in the history of the MRC.

This year also saw the successful publication of a MRC booklet entitled "REACHING OUT" and the description brochure of the MRC and the services offered. The booklet featuring community outreach projects, received good response at all levels and is currently being translated from English to the Malay language. The overall cost of the publication of the booklets and brochures in both languages were fully sponsored by the Government of Canada through Global Affairs Canada and the Canadian Red Cross with the support of the International Federation of Red Cross and Red Crescent Societies (IFRC). MRC records its appreciation to the IFRC Southeast Asia Regional Delegation in Bangkok for the cooperation and support extended in the publication of these booklets.

MRC Secretary General Dato' Sayed A. Rahman among panelists at MaybankHEART Campaign Launch

7hb Sept. 2016 – Pelancaran Kempen MaybankHEART

BSMM adalah salah satu daripada organisasi yang terpilih mendapat diluluskan oleh Majlis Maybank untuk mengambil bahagian dalam inisiatif CSR khas institusi perbankan tersebut melalui platform pengumpulan dana melalui talian laman internet khas yang dinamakan MaybankHEART, diwujudkan untuk memberi peluang kepada organisasi bukan keuntungan untuk mengumpul dana untuk menyokong projek-projek kemasyarakatan mereka. Pelancaran Kempen MaybankHEART telah diadakan pada 7hb September 2017 di mana Setiausaha Agung BSMM YBhg. Dato' Sayed A. Rahman bin Sayed Mohd telah dijemput untuk mengambil bahagian sebagai salah seorang daripada tiga ahli panel untuk mempromosikan kerja-kerja Bulan Sabit Merah Malaysia dan khususnya Projek Perkhidmatan Ambulans Berdasarkan Komuniti atau 'Combase' yang digalakkan melalui Kempen ini. BSMM juga telah diberi ruang untuk mengadakan pameran untuk mengenalkan aktiviti-aktivitinya. Projek Combase BSMM Negeri Pulau Pinang, yang dipaparkan di platform MaybankHEART telah mendapat sambutan yang baik dan berjaya mengumpul dana sebanyak RM51,000.00 melalui Kempen ini.

7th Sept 2016 – Launch of MaybankHEART Campaign

MRC was one of the few selected organizations that got approved by Maybank's Council to participate in the banking institution's special CSR initiative through an online fundraising platform called MaybankHEART special created to provide an opportunity for non-profit organizations to raise funds to support their community outreach projects. The launch of the MaybankHEART Campaign was held on 7th September 2017 where MRC Secretary General Dato' Sayed A. Rahman bin Sayed Mohd was

invited to participate as one of the panelist to highlight and promote the work of the Malaysian Red Crescent and in particular its Community-based Ambulance Service (Combase) Project promoted through this Campaign. MRC was also provided space to set up an exhibition booth to introduce its activities. The MRC Penang State's Combase Project, featured on the MaybankHEART online platform received good response and managed to raise a sum of RM51,000.00 through this Campaign.

Forum Komunikasi Asia Pasifik yang ke-4, 14-16 Mac 2016 di Seoul, Republik Korea

Bulan Sabit Merah Malaysia telah dijemput untuk mengambil bahagian dalam Forum Komunikasi Asia Pasifik yang ke-4 yang telah diadakan di Seoul, Korea pada 14-16 Mac 2016. Forum tersebut yang dihoskan oleh Palang Merah Korea telah dianjurkan dan ditaja bersama oleh Persekutuan Antarabangsa Palang Merah dan Bulan Sabit Merah (IFRC) dan Jawatankuasa Antarabangsa Palang Merah (ICRC). Forum tersebut tertumpu kepada bagaimana kita boleh membina hubungan dan bekerjasama dengan lebih rapat dalam keutamaan komunikasi biasa.

Tema bagi Forum, 'Berkomunikasi di Angkasa Digital' terutamanya tertumpu kepada menggalakkan inovasi, pembelajaran dan bekerjasama di kalangan rakan-rakan Palang Merah dan Bulan Sabit Merah disekitaran penggunaan keberkesanan platform media sosial di samping meluaskan skop dan kesan kerja komunikasi dalam ruang digital. Ketua Bahagian Komunikasi daripada 23 buah Persatuan Kebangsaan Palang Merah dan Bulan Sabit Merah di Rantau Asia Pasifik bersama dengan IFRC dan ICRC telah menyertai Forum tersebut. BSMM telah diwakili oleh Pengurus Komunikasi dan Kutipan Dana Puan Jayanthy Maruthan; dan penyertaan beliau telah disokong sepenuhnya oleh ICRC.

4th Asia Pacific Communications Forum, 14-16 March 2016 in Seoul, Republic of Korea

The Malaysian Red Crescent was invited to participate in the above Forum held in Seoul, Korea from 14-16 March 2016. The Forum hosted by the Korean Red Cross was organized and co-sponsored by the International Federation of Red Cross and Red Crescent Societies (IFRC) and International Committee of the Red Cross (ICRC). The Forum focused on how we can build relationships and work together more closely on common communications priorities.

The theme for the Forum, 'Communicating in the Digital Space' primarily focused on promoting innovation, learning and collaborating amongst Red Cross and Red Crescent partners around the effective use of social media platforms as well as broadening the scope and impact of communications work in the digital space. Heads of Communications from 23 National Red Cross and Red Crescent Societies in the Asia Pacific Region together with IFRC and ICRC participated in the Forum. MRC was represented by its Communications and Fundraising Manager Ms. Jayanthy Maruthan whose participation in the Forum was fully supported by the ICRC.

Two detainees at the Lenggeng Depot writing a Red Cross Message (RCM) with the assistance of a MRC staff

The IHL, Legal and International Relations Officer, Ms Lim Mei Chin, was assigned as a neutral monitoring officer to assist in preparing report on the integrated school flood preparedness training in Kuala Krai, Kelantan, on its effectiveness.

The interview was conducted with seven school headmasters and MRC represented teachers, IFRC Senior Emergency Health Officer, Dr Durgavasini Devanath, and Health & Community Service Manager, Ms Parvathi Rajoo as well as representatives from MRC Kelantan state on 3-6 Mei 2016.

MRC/ICRC Cooperation in providing Restoring Family Links service in Immigration Detention Depots.

MRC, represented by IHL, Legal and International Relations Officer, Ms Lim Mei Chin, is working closely with ICRC who are leading the program, to provide Restoring Family Links services to Detention Depots, as stated below:-

1. Semenyih Depot, Selangor on 7-11 March 2016, and on 10-14 October 2016,
2. Bukit Jalil Depot, Kuala Lumpur on 14-17 March 2016,
3. Lenggeng Depot, Negeri Sembilan on 9-13 Mei 2016 and on 15-19 Ogos 2016,
4. Langkap Depot, Perak, on 18-22 July 2016.

Types of services provided are free phone calls, Red Cross Message, Salamat, notification to UNHCR and Embassies, registration of elderly / sick and children under 18 years old.

It is estimated that about 300-400 detainees are able to make 600-800 calls during the 5 days visit.

Mesyuarat Serantau Rangkaian 'Restoring Family Links.'

Mesyuarat Serantau Rangkaian Restoring Family Links 2016 melibatkan 40 Pegawai dari Persatuan Kebangsaan dan ICRC dari Asia Pasifik, Asia Tengah dan Eropah. YBhg Dato' Sayed A.Rahman bin Sayed Mohd, Setiausaha Agung BSMM telah membuat ucapan pembukaan bagi mesyuarat tersebut.

Agenda utama mesyuarat ini ialah mengkaji strategi 'Restoring Family Links' dan mengenalpasti bagaimana Persatuan Kebangsaan boleh lebih bergiat maju, berdaya saing, meningkatkan pembangunan kapasiti dan menjana dana dengan kemampuan sendiri bagi memajukan dan menaiktaraf perkhidmatan 'Restoring Family Links' masing-masing. BSMM diwakili oleh En Saiful Izan bin Nordin dan Pn Lim Mei Chin.

Restoring Family Links Regional Network Meeting

The Restoring Family Links Regional Network Meeting 2016 involved 40 Officers from National Societies and ICRC from Asia Pacific, Middle Asia and Europe. YBhg Dato' Sayed A. Rahman bi Sayed Mohd, MRC Secretary General, officiated the opening for the meeting.

The main agenda for the meeting are to study the Restoring Family Links strategy, and determine how National Societies may develop further, be competitive and increasing their capacity building as well as generate their own fund to improve and upgrade their Restoring Family Links services. MRC are represented by Mr Saiful Izan bin Nordin and Ms Lim Mei Chin.

TINJAUAN **2016** YEAR IN REVIEW

MALAYSIAN RED CRESCENT SOCIETY

(Incorporated under Malaysian Red Cross Society (Incorporation) Act, 1965)

NATIONAL HEADQUARTERS

STATEMENT BY THE NATIONAL EXECUTIVE BOARD MEMBERS

We, TUNKU TAN SRI SHAHRIMAN BIN TUNKU SULAIMAN and TUAN HAJI HAKIM BIN HAJI HAMZAH, being two of the National Executive Board Members of MALAYSIAN RED CRESCENT SOCIETY, do hereby state that in the opinion of the National Executive Board Members, the financial statements set out on pages 7 to 31 are properly drawn up in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the rules and regulations of the MRCS so as to give a true and fair view of the financial position of the MALAYSIAN RED CRESCENT SOCIETY — NATIONAL HEADQUARTERS as at 31 December 2016 and of its financial performance and cash flows for the financial year then ended.

Signed on behalf of the National Executive Board Members in accordance with a resolution of the Executive Board Members,

TUNKU TAN SRI DATO' SHAHRIMAN BIN TUNKU SULAIMAN
(National Chairman)

TUAN HAJI HAKIM BIN HAMZAH
(National Honorary Treasurer)

KUALA LUMPUR
17 April 2017

MALAYSIAN RED CRESCENT SOCIETY

(Incorporated under Malaysian Red Cross Society (Incorporation) Act, 1965)

NATIONAL HEADQUARTERS

STATUTORY DECLARATION

I, TUAN HAJI HAKIM BIN HAJI HAMZAH, being the National Honorary Treasurer primarily responsible for the financial management of MALAYSIAN RED CRESCENT SOCIETY - NATIONAL HEADQUARTERS, do solemnly and sincerely declare that the accompanying financial statements set out on pages 7 to 31, are to the best of my knowledge and belief, correct, and I make this solemn declaration conscientiously believing the same to be true and by virtue of the provisions of the Statutory Declarations Act, 1960.

Subscribed and solemnly declared)
by the above named at Kuala Lumpur in)
the Federal Territory this)
17 April 2017)

TUAN HAJI HAKIM BIN HAJI HAMZAH

Before me,

MALAYSIAN RED CRESCENT SOCIETY

(Incorporated under Malaysian Red Cross Society (Incorporation) Act, 1965)

NATIONAL HEADQUARTERS

Report on the Financial Statements

Opinion

We have audited the financial statements of Malaysian Red Crescent Society ("MRCS") — National Headquarters, which comprise the statement of financial position as at 31 December 2016, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 7 to 31.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Society as at 31 December 2016, and of its financial performance and its cash flows for the year ended in accordance with Malaysian Financial Reporting Standard, International Financial Reporting Standard and the requirements of the Companies Act, 1965 in Malaysia.

Basis for opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the Auditors' Responsibility for the Audit of the Financial Statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence and Other Ethical Responsibilities

We are independent of the Company in accordance with the Bi—Laws (on professional Ethnics, Conduct and Practice) of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

Report on the Financial Statements (cont'd)

Responsibilities of the National Executive Board Members for the Financial Statements

The National Executive Board Members of the Society are responsible for the preparation of financial statements of the Society that give a true and fair View in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standard and the rules and regulations of the Society. The National Executive Board Members are also responsible for such internal control as the National Executive Board Members determine is necessary to enable the preparation of financial statements of the Society that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Society, the National Executive Board Members are responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the National Executive Board Members either intend to liquidate the Society or to cease operations, or have no realistic alternative but to do so.

Auditors' Responsibilities for the Audit ofth Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Society as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exist. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify assess the risks of material misstatement of the financial statements of the Society, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, international omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the National Executive Board Members.
- Conclude on the appropriateness of the National Executive Board Members' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going Concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Society or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements of the Society, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the National Executive Board Members regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Other Matters

This report is made solely to the National Council of the Society, as a body, in accordance with the rules and regulations of the MRCS in Malaysia and for no other purpose. We do not assume any responsibility to any other person for the content of this report.

NOTES TO THE FINANCIAL STATEMENTS

(Incorporated under Malaysian Red Cross Society (Incorporation) Act, 1965

NATIONAL HEADQUARTERS

Notes to the Financial Statements - year ended 31 December 2016

TINJAUAN **2016** YEAR IN REVIEW

1. Society Information

The principal activities of the Society are to promote humanitarian principles and values, disaster response, disaster preparedness and health and care in the community.

There have been no significant changes in the nature of these activities during the financial year under review.

The Society is incorporated in Malaysia under Malaysian Red Cross Society (Incorporation) Act, 1965 and domiciled in Malaysia.

The financial statements have been approved by the National Council Members in accordance with a resolution of the National Council Members on 17 April 2017.

2. Basis of preparation

a) Statement of compliance

The financial statements of the Society have been prepared under the historical cost convention unless otherwise stated in the accounting policies below and in accordance with the Malaysian Financial Reporting Standards ("MFRSs"), International Financial Reporting Standards and the rules and regulations of Malaysian Red Crescent Society, ("MRCS").

The preparation of financial statements in conformity with MFRS requires the use of certain critical accounting estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amount of revenues and expenses during the reported period. It also requires National Executive Board Members to exercise their judgement in the process of applying the Society's accounting policies. Although these estimates and judgement are based on the National Executive Board Members' best knowledge of current events and actions, actual results may differ. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in Note 2(c) to the financial statementsand estimates are significant to the financial statements are disclosed in Note 2(b) to the financial statements.

2. Basis of preparation (cont'd)

a) Statement of compliance (cont'd)

During the current financial year, the Society has adopted the following new accounting standards and interpretations (including the consequential amendments, if any):

- Amendments to MFRS 10, MFRS 12 and MFRS 127, *Investment Entities*
- Amendments to MFRS 132, *Financial instruments: Presentation*
- Amendments to MFRS 136, *Impairment of Assets*
- Amendments to MFRS 139, *Novatian of Derivaties and Continuation of Hedge Accounting*
- IC Interpretion 21, *levies*
- Amendments MFRS 13, *Fair Value Measurement (Annual improvements 2010-2012 Cycle and 2011-2013 Cycle)*
- Amendments to MFRS 116, *Property, Plant and equipment and MFRS 138, ntangible Assets (Annual Improvements 2010—2012 Cycle)*
- Amendments to MFRS 119, *Defined Benefit Plans Employee Contribution*
- Amendments to MFRS 124, *Related Party Disclosures (Annual Improvements 2010-2012 Cycle)*

The above amendments to accounting standards and interpretations effective during the financial year do not have any significant impact to the financial results and position of the Society.

Annual periods beginning on/after 1 January 2016

Amendments to MFRS 5 Non-Current Assets I-leld for Sale and Discounted Operations

The Amendments introduce specific guidance in MFRS 5 for when an entity reclassifies an asset (or disposal group) from held-for-sale to held—for- distribution to owners (or vice versa), or when held-for-distribution is discontinued.

Amendments to MFRS 7 Financial Instruments: Disclosures

The Amendments provide additional guidance to clarify whether servicing contracts constitute continuing involvement for the purposes of applying the disclosure requirements of MFRS 7. The

Amendments also clarify the applicability of Amendments to MFRS 7, Disclosure-offsetting Financial Assets and Financial Liabilities to condensed interim financial statements.

2. Basis of preparation (cont'd)

a) Statement of compliance (cont'd)

Annual periods beginning on/after 1 January 2016 (cont'd)

Amendments to MFRS 11Joint Arrangements

These Amendments clarify that when entity acquires an interest in a joint operation in which the activity of the joint operation constitutes a business, as defined in MFRS 3, it shall apply the relevant principles on business combinations accounting in MFRS 3, and other MFRSS, that do not conflict with MFRS 11. Some of the impact arising may be the recognition of goodwill, recognition of deferred tax assets/ liabilities and recognition of acquisition—related costs as expenses.

Amendments to MFRS 101 Presentation of Financial Statements

The Amendments aim to improve the effectiveness of disclosures and are designed to encourage companies to apply professional judgement in determining the information (including where and in what order) to be disclosed in the financial statements.

Amendments to MFRS 116 Property, plant and equipment

These Amendments to MFRS 116 prohibit revenue—based depreciation because revenue does not, as a matter of principle, reflect the way in which an item of property, plant and equipment is used or consumed.

Amendments to MFRS 119 Employee Benefits

The Amendment clarifies that the high quality corporate bonds used to estimate the discount rate for post-employment benefit obligations should be denominated in the same currency as the liability. The Amendment also clarifies that the depth of the market for high quality corporate bonds should be assessed at a currency level.

Amendments to MFRS 127 Separate Financial Statements

The Amendments allow a parent and investors to use the equity method in its separate financial statement to account for investments in subsidiaries, joint ventures and associates, in addition to the existing options.

2. Basis of preparation (cont'd)

a) Statement of compliance (cont'd)

Annual periods beginning art/after 1 January 2016 (contt)

Amendments to MFRS 134 Interim Financial Reporting

The Amendment clarifies the meaning of disclosure of information 'elsewhere in the interim financial report' as used in MFRS 134. The Amendment requires such disclosures to be given either in the interim financial statements or incorporated by cross-reference from the interim financial statements to some other statement that is available to users of the financial statements on the same terms as the interim financial statements and at the same time.

Amendments to MFRS 138 Intangible assets

These Amendments to MFRS 138 introduce a rebuttable presumption that an amortisation method that is based on the revenue generated by an activity that includes the use of an intangible asset inappropriate. This presumption can be overcome only in the limited circumstances:

- in which the intangible asset is expressed as a measure of revenue, i.e. in the circumstance in which the predominant limiting factor that is inherent in an intangible asset is the achievement of a revenue threshold; or
- when it can be demonstrated that the revenue and the consumption of the economic benefits of the intangible asset are highly correlated.

2. Basis of preparation (cont'd)

Annual periods beginning (in/after 1 January 2018

MFRS 9 Financial Instruments

This Standard addresses the classification, measurement and recognition of financial assets and financial liabilities.

Classification determines how financial assets and financial liabilities are accounted for in financial statements and, in particular, how they are measured on an ongoing basis. The Standard introduces an approach for classification of financial assets which is driven by cash flow characteristics and the business model in which an asset is held. The new model also results in a single impairment model being applied to all financial instruments, thereby removing a source of complexity associated with previous accounting requirements.

2. Basis of preparation (cont'd)

a) Statement of compliance (cont'd)

Annual periods beginning on/after 1 January 2018 (contt)

If financial asset is simple debt instrument and the objective of the entity's business model within which it is held is to collect its contractual cash flows, the financial asset is measured at amortised cost. In contrast, if that asset is held in a business model the objective of which is achieved by both collecting contractual cash flows and selling financial assets, then the financial asset is measured at a fair value in the balance sheet, and amortised cost information is provided through profit or loss.

If the business model is neither of this, then fair value information is

CONTINUED NEXT PAGE

increasingly important, so it is provided both in the profit or loss and in the balance sheet.

The Standard introduces a new, expected-loss impairment model that will require more timely recognition of expected credit losses. Specifically, it requires entities to account for expected credit losses from when financial instruments are first recognised and to recognise full lifetime expected losses on a more timely basis. The model requires an entity to recognise expected credit losses at all times and to update the amount of expected credit losses recognised at each reporting date to reflect changes in the credit risk of financial instruments. This model is forward-looking and it eliminates the threshold for the recognition of expected credit losses, so that it is no longer necessary for a trigger event to have occurred before credit losses are recognised.

In addition, the Standard introduces a substantially-reformed model for hedge accounting, with enhanced disclosures about risk management activity. The new model represents a significant overhaul of hedge accounting that aligns the accounting treatment with risk management activities, enabling entities to better reflect these activities in their financial statements. As a result of these changes, users of the financial statements will be provided with better information about risk management and the effect of hedge accounting on the financial statements.

a) Statement of compliance (cont'd)

Annual periods beginning org/after 1 January 2018 (cont'd)

Effective date yet to be determined by the Malaysian Accounting Standards Board

Amendments to MFRS 10 Consolidated Financial Statements and MFRS 128 Investments in Associates and Joint Ventures

The Amendments address an acknowledge inconsistency between the requirements in MFRS 10 and those in MFRS 128, in dealing with the sale or contribution of assets between an investor and its associate or joint venture. The main consequence of the Amendments is that a full gain or loss is recognised when a transaction involves a business (whether it is housed in a subsidiary or not), as defined in MFRS 3. A partial gain or loss is recognised when a transaction involves assets that do not constitute a business, even if these assets are housed in a subsidiary.

The Society is in the process of assessing the impact of MFRS 9 and MFRS 15 in the year of initial application. Aside from the above mentioned, the adoption of the accounting standards and amendments to accounting standards are not expected to have any significant impact to the financial statements of the Society.

Accounting standards and amendments to accounting standards that are not relevant and not yet effective for the Society are as follows:

- Amendments to MFRS 10, MFRS 12 and MFRS 128, *Investment Entities: Applying the Consolidation Exception*
- MFRS 14, *Regulatory Deferral Accounts*
- Amendments to MFRS 116 and MFRS 141, *Agriculture: Bearer Plants*

b) Basis of measurement

The financial statements have been prepared on the historical cost basis other than as disclosed in Note 3.

2. Basis of preparation (cont'd)

c) Used of estimates and judgments

The preparation of the financial statements in conformity with MFRSs requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an on—going basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. There are no significant areas of estimation uncertainty and critical judgements in applying accounting policies that have significant affect on the amounts recognised in the financial statements.

3. Summary of significant accounting policies

The accounting policies set out below have been applied consistently to the periods presented in these financial statements.

a) Basis of accounting

The financial statements have been prepared under the historical cost convention (unless otherwise indicated in the individual accounting policies).

b) Property, plant and equipment and depreciation

Property, plant and equipment are initially recorded at cost. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount to replaced part is derecognised. All other repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

Subsequent to recognition, property, plant and equipment is stated at cost less accumulated depreciation and any accumulated impairment losses. Depreciation for plant and equipment is provided on a straight-line basis to write off the cost of each asset to its residual value over their estimated useful life, at the following annual rates:

3. Summary of significant accounting policies

b) Property, plant and equipment and depreciation (cont'd)

Long term leasehold land and buildings	2%
Cabin	10%
PABX system	10%
Disaster Relief equipment	10%
Furniture equipment	15 %
Disaster Relief Vehicles and Boats	10% - 20%
Ambulances	10% - 20%
Office equipment and renovations	12% - 20%
Motor vehicles	20%
Mobile Blood Transfusion Clinic	20%
Mobile Rural Information Units	20%
Computers	20%

The residual values, useful life and depreciation method are reviewed at each financial year end to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the plant and equipment. An item of plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. The difference between the net disposal proceeds, if any and the net carrying amount is recognised in income statement.

c) Financial assets

i. Classification

The Society classifies its financial assets based on the purpose for which the financial assets were acquired at initial recognition in the following categories:

Financial assets at fair value through profit or loss

Fair value through profit or loss category comprises financial assets that are held for trading, including derivatives (except for a derivative that is a financial guarantee contract or a designated and effective hedging instrument) or financial assets that are specifically designated into this category upon initial recognition.

3. Summary of significant accounting policies (cont'd)

c) Financial assets

i. Classification (cont'd)

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market.

They are included in current assets, except for maturities greater than 12 months after the end of the reporting period. These are classified as non—current assets.

Held-to-maturity financial assets

Held-to-maturity financial assets are non-derivative financial assets with fixed or determinable payments and fixed maturities that the Society's management has the positive intention and ability to hold to maturity.

Held—to-maturity financial assets are included is non-current assets, except for those with maturities less than 12 months from the end of the reporting period, which are classified as current assets.

Available-for-sale financial assets

Available—for—sale financial assets are non-derivatives that are either designated in this category or not classified in any of the other categories.

They are included in non-current assets unless the investment matures or management intends to dispose of it within 12 months of the end of the reporting period.

ii. Recognition and initial measurement

Regular purchases and sales of financial assets are recognised on the trade—date, the date on which the Society commits to purchase or sell the asset.

Financial assets are initially recognised at fair value plus transaction costs for all financial assets not carried fair value through profit or loss.

Financial assets carried at fair value through profit or loss are initially recognised at fair value, and transaction costs are expensed in profit or loss.

3. Summary of significant accounting policies (cont'd)

c) Financial assets (cont'd)

iii. Subsequent measurement

Gains and losses

Financial assets at fair value through profit or loss and available-for- sale financial assets are subsequently carried at fair value. Loans and receivables and held-to-maturity financial assets are subsequently carried at amortised cost using the effective interest method.

Changes in the fair values of financial assets at fair value through profit or loss, including the effects of currency translation, interest and dividend income are recognised in profit or loss in the period in which the changes arise.

Changes in the fair value of available-for—sale financial assets are recognised in other comprehensive income. Impairment losses and exchange differences on monetary assets are recognised in profit or loss, whereas exchange differences on non-monetary assets are recognised in other comprehensive income as part of fair value change.

Interest and dividend income on available-for-sale financial assets are recognised separately in profit or loss. Interest on available-for-sale debt securities calculated using the effective interest method is recognised in profit or loss. Dividend income on available-for-sale equity instruments are recognised in profit or loss when the Society's right to receive payments is established.

Impairment of financial assets

A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the

CONTINUED NEXT PAGE

estimated future cash flows of that asset. For an equity instrument, a significant or prolonged declined in fair value below its cost is also considered objective evidence of impairment.

An impairment loss in respect of loans and receivables and held-to—maturity investments is recognised in profit or loss and is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the asset's original effective interest rate. The carrying amount of the asset is reduced through the use of an allowance account.

3. Summary of significant accounting policies (cont'd)

c) Financial assets (cont'd)

iii. Subsequent measurement (cont'd)

Impairment of financial assets (cont'd)

An impairment loss in respect of available-for-sale financial assets is recognised in profit or loss and is measured as the difference between the asset's acquisition cost (net of any principal repayment and amortization) and the asset's current fair value, less any impairment loss previously recognised. Where a decline in the fair value of an available—for-sale financial asset has been recognised in other comprehensive income, the cumulative loss in other comprehensive income is reclassified from equity to profit or loss.

An impairment loss in respect of unquoted equity instrument that is carried at cost is recognised in profit or loss and is measured as the difference between the financial asset's carrying amount and the present value of estimated future cash flows discounted at the Current market rate of return for a similar financial asset.

Impairment losses recognised in profit or loss for an investment in an equity instrument classified as available for sale is not reversed through profit or loss.

If, in a subsequent period, the fair value of a financial asset measured at amortised cost and the increase can be objectively related to an event occurring after the impairment loss was recognised in profit or loss, the impairment loss reversed, to the extent that the asset's carrying amount does not exceed what the carrying amount would have been had the impairment not been recognised at the date the impairment is reversed. The amount of the reversal is recognised in profit or loss.

iv. De-recognition

Financial assets are de-recognised when the rights to receive cash flows from the investments have expired or have been transferred and the Society has transferred substantially all risks and rewards of ownership.

When available-for-sale financial assets are sold, the accumulated fair value adjustments recognised in other comprehensive income are reclassified to profit or loss.

3. Summary of significant accounting policies (cont'd)

d) Financial liabilities

Financial liabilities are initially recognised at fair value net of transaction costs for all financial liabilities not carried at fair value through profit or loss. Financial liabilities carried at fair value through profit or losses are initially recognised at fair value, and transaction costs are expensed in profit or loss.

Fair value through profit or loss category comprises financial liabilities that are derivatives (except for a derivative that is financial guarantee or a designated and effective hedging instrument) or financial liabilities that are specifically designated into this category upon initial recognition.

All financial liabilities are subsequently measured at amortised cost using the effective interest method other than those categorised as fair value through profit or loss.

e) Cash and cash equivalents

Cash and cash equivalents consists of cash in hand, bank balances and deposits with banks and highly liquid investments which have an insignificant risk of changes in value.

f) Government grants

Government grants are recognised upon receipt or when there is reasonable assurance that the grant will be received and all attaching conditions will be complied with.

g) Employee benefits

(i) Short term benefits

Wages, salaries, bonuses and social security contributions are recognised as an expense in the year in which the associated services are rendered by employees. Short term accumulating compensated absences such as paid annual leave are recognised when services are rendered by employees that increase their entitlement to future compensated absences. Short term non-accumulating compensated absences such as sick leave are recognised when the absences occur.

(ii) Defined contribution plans

As required by law, companies in Malaysia make contributions to the state pension scheme, the Employees Provident Fund ("EFF"). Such contributions are recognised as an expense in the income statement as incurred.

h) Income tax

Malaysian Red Crescent Society is exempted from income tax under the Income Tax Act, 1967.

i) Revenue recognition

Revenue is recognised when the amount of the revenue can be measured reliably.

i) Donations income is accounted for as and when received.
ii) Interest income is recognised on a time proportion basis that reflects the effective yield of assets.

11. (Deficit)/Surplus before taxation

(Deficit) / Surplus before taxation is derived after charging/ (crediting) :-

	2016 (RM)	2015 (RM)
Auditors' remuneration	31,268	15,500
Bad debts written off	—	589,142
Depreciation of property, plant and equipment	790,422	581,103
Interest income	(733,070)	274,904)

(a) Employee information

Staff costs (excluding members of National Executive Board Members / National Council)	3,185,929	1,358,293

Included in staff costs above are contributions made to the Employees Provident Fund under a defined contribution plan for the Society amounting to RM318,106 (2015: RM142,730).

CONTINUED NEXT PAGE

CONTINUED FROM PREVIOUS PAGE

12. Taxation

No provision for taxation has been made for the financial year as the MRCS has been granted tax exempt status under the Income Tax Act, 1967.

13. Financial risk management objectives and policies

The Society's financial risk management policy seeks to ensure that adequate financial resources are available for the development of the Society's businesses whilst managing its interest rate, liquidity/funding and credit risks. The Society operates within clearly defined guidelines that are approved by the Board and the Society's policy is not to engage in speculative transactions.

a) Interest rate risk

Cash flow interest rate risk is the risk that the future cash flow of a financial instrument will fluctuate because of changes in market interest rates. Fair value interest rate risk is the risk that the value of a financial instrument will fluctuate due to changes in market interest rates.

As the Society has no significant interest-bearing financial assets, the Society's income and operating cash flows are substantially independent of changes in market interest rates. The Society's interest—bearing financial assets are mainly short term in nature and have been mostly placed in fixed deposits.

b) Liquidity and cash flow risk

The Society maintains a certain level of cash and cash convertible investments to meet its working capital requirements.

The table below summaries the maturity profile of the Society' 5 financial liabilities as the reporting date based on the contractual undiscounted repayment obligations:

2016

	Carrying Amounts RM	Total Contractual Cash flows RM	On demand or within one year RM
Financial liabilities	238,457	238,457	238,457

c) Credit risk

Credit risk, or the risk of counterparties defaulting, is controlled by the application of credit approvals, limits and monitoring procedures. Credit risk is minimised and monitored Via strictly limiting the Society's associations to business partners with high creditworthiness.

Trade receivables are monitored on an ongoing basis via Society management reporting procedures. The Society does not have any significant exposure to any individual customer or counterparty. The Society does not have any major concentration of credit risk related to any financial instruments.

d) Fair values

The carrying amounts of cash and cash equivalents and other receivables and other payables approximate fair values due to the relatively short term nature of these financial instruments.

The aggregate fair value of the other financial assets and liabilities carried on the statement of financial position approximates its carrying value and the Society does not anticipate the carrying amounts recorded at the reporting date to be significantly different from the values that would eventually be
settled.

Fair value hierarchy

The Society uses the following hierarchy for determining and disclosing the
fair value of financial instruments by valuation technique.

Level 1: Quoted (unadjusted) prices in active markets for identical assets orliabilities

Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly

Level 3: Technique which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

14. Capital management

The Society relies on both the internally generated funds and donations as working capital to sustain its operations.

15. Comparative figures

The financial statement of the previous financial year which are presented for comparative purposes were examined and reported by firm of chartered accountants other than Jeffrey Suffian.

COMPONENTS OF THE MOVEMENT

The International Red Cross and Red Crescent Movement is made up of the International Committee of the Red Cross (ICRC), the the International Federation of Red Cross and Red Crescent Societies (IFRC) and the National Societies.

ICRC

International Federation of Red Cross and Red Crescent Societies

The International Committee of the Red Cross is an impartial, neutral and independent organisation whose exclusively humanitarian mission is to protect the lives and dignity of victims of armed conflict and other situations violence and to provide them with assistance. The ICRC also endeavours to prevent suffering by promoting and strengthening humanitarian law and universal humanitarian principles. Established in 1863, the ICRC is at the origin of the Geneve Convention and the International Red Cross and Red Crescent Movement. It directs and coordinates the international activities conducted by the Movement in armed conflict and other situations of violence.

The International Federation of Red Cross and Red Crescent Societies (IFRC) is the world's largest volunteer-based humanitarian network, reaching 160 million people each year through its 190 member National Societies. Together, the IFRC acts before, during and after disasters and health emergencies to meet the needs and improve the lives of vulnerable people. It does so with impartiality as to nationality, race, gender, religious beliefs, class and political opinions. Guided by Strategy 2020 – a collective plan of action to tackle the major humanitarian and development challenges of this decade – the IFRC is committed to 'saving lives and changing minds'.

National Red Cross and Red Crescent Societies embody the work and principles of the International Red Cross and Red Crescent Movement in more than 190 countries. National Societies act as auxiliaries to the public authorities of their own countries in the humanitarian field and provide a range of services including disaster relief, health and social programmes. During wartime, National Societies assist the affected civilian population and support the army medical services where appropriate.

The **International Red Cross and Red Crescent Movement**
is guided by seven Fundamental Principles:
humanity, impartiality, neutrality, independence, voluntary service, unity and universality.

All Red Cross and Red Crescent activities have one central purpose
to help without discrimination those who suffer and thus contribute to peace in the world

SEJARAH LAMBANG HISTORY OF THE EMBLEM

RED CROSS

RED CRESCENT

RED LION AND SUN

RED CRYSTAL

1863
An International Conference met in Geneva to try and find means of remedying the ineffectiveness of army medical services in the field. It adopted a red cross on a white ground as the distinctive sign for relief societies for wounded soldiers - the future National Red Cross and Red Crescent Societies.

1864
The first-ever Geneva Convention was adopted: the red cross on a white ground was officially recognized as the distinctive sign of the medical services of armed forces.

1876
During the Russo-Turkish war, fought in the Balkans, the Ottoman Empire decided to use a red crescent on a white ground in place of the red cross. Egypt also opted for the red crescent and Persia subsequently chose a red lion and sun on a white ground. These States made reservations to the Conventions, and their exceptional signs were then written into the 1929 Conventions.

1949
Article 38 of the First Geneva Convention of 1949 confirmed the emblems of the red cross, the red crescent and the red lion and sun on a white ground as the protective signs for army medical services. It thus excluded the use of any exceptional sign other than the red crescent and the red lion and sun.

1980
The Islamic Republic of Iran decided to give up the red lion and sun, to use the red crescent in its place.

2005
The International Red Cross and Red Crescent Movement announced the additional emblem, known as the Red Crystal, alongside the red cross and red crescent, recognized in the Geneva Convention. The Red Crystal emblem, appears as a red frame in the shape of a square on edge, on a white background, provides a comprehensive and lasting solution to the emblem question, and is free from any religious, political or other connotation.

2007 (14 JAN)
The Third Additional Protocol to the 1949 Geneva Conventions enters into force. The red crystal has the same status under international law as the red cross and red crescent emblems.

2009 (30 JUN)
There are 152 national Red Cross societies and 33 national Red Crescent societies in the world. One more national society adopting the Red Crystal emblem was accepted.

2015 (DECEMBER)
With the recognition of Tuvalu Red Cross in December 2015, there are currently 155 national Red Cross, 34 national Red Crescent and one national Red Crystal societies worldwide, making the total number of National Societies to 190.

LAGU BULAN SABIT MERAH MALAYSIA
MALAYSIAN RED CRESCENT SONG

Bulan Sabit Merah Di Malaysia
Giat Berjasa Untuk Negara
Tidak Kira Kaum Dan Agama
Waktu Aman Atau Bahaya

Di Mana Jua Adanya Sengsara
Di Sana Ada Kita
Di Darat Dan Laut Kita Bersedia
Walaupun Diancam Bahaya

Bulan Sabit Merah Gerakan Sedunia
Membantu Semua Yang Menderita
Badan Sukarela Berkhidmat
Dengan Tabah Dan Bersemangat

Lyrics
Tan Sri Dato' Dol Ramli

Song/Music
Dato' Johari Salleh

"Lagu Bulan Sabit Merah"
was first played at a ceremony in 1975 to commemorate the change of name of the Society from the Malaysian Red Cross Society to the Malaysian Red Crescent Society.

SENIKATA LAGU
